## Crawford Technologies named to the PROFIT 100 Ranking of Canada's Fastest Growing Companies

**June 2, 2010, Toronto, ON** – Crawford Technologies, an award-winning global leader in the transactional customer communications software development industry, is proud to announce that it has been named to the 22nd annual PROFIT 100 ranking of Canada's Fastest-Growing Companies by PROFIT Magazine.

"This is a great honor to be recognized for our growth and success," says Ernie Crawford President of Crawford Technologies Inc. "Our innovative technology, outstanding employees and dedication to our customers have made CrawfordTech the most successful software company focused on the high volume billing and statement market."

Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 100 profiles the country's most successful growth companies. Published in the June issue of PROFIT and online at [PROFIT100.com](http://PROFIT100.com), the PROFIT 100 is Canada's largest annual celebration of entrepreneurial achievement.

"Canada's Fastest-Growing Companies are the poster children for entrepreneurship, innovation and pure tenacity," says Ian Portsmouth, editor of PROFIT. "They demonstrate what it takes to succeed in today's highly competitive, technology-driven global economy."

"I want to thank our growing list of loyal customers who have been able to extend their market reach, improve their customer service and save money using our products. The best is yet to come," says Crawford.

"A large part of our success has come from the incredible talent, hard work and innovative thinking of our employees," Our first three employees are still with us and we have been able to attract some of the industry's most coveted talent to create a skilled, experienced and cohesive team. This award gives us all something to be proud of".

### About Crawford Technologies Inc.

Since 1995, Crawford Technologies' award-winning solutions have helped over 700 companies around the world reduce costs associated with communications processes by delivering bills, statements and other mission-critical transactional communications to their customers in the format they need, when they need it. This includes alternate format documents in Braille, Large Print, Audio and E-text for visually impaired and print-disabled customers.

With CrawfordTech's range of unique software products and services, our clients simplify, automate and extend document delivery cost effectively - irrespective of current, legacy or future standards in infrastructure or document output.

These clients, including four of the top five US banks, four of the top five US insurance companies and four of the world's top five car manufacturers, are realizing high-value results as costs associated with document processes are minimized through automation, new opportunities for savings across critical communications are realized and they can react quickly to changes in regulations, policies, business requirements and technical infrastructure.

CrawfordTech's quality software, expert support and transactional document business knowledge help clients to meet operational, service, marketing, legal and standards requirements and automate the delivery of billions of communications to their customers annually.
